

JESUS IS THE REASON...

“And they went forth everywhere, the Lord working with them, and confirming the word with signs following.” Mark 16:20

Firestarters from the Puyallup, Haida, Yakama, Chocktaw, Cherokee, Colville, Nootka, Creek, and Sioux Nations & others went forth this year lifting up the name of JESUS. The team often travels and always prays for the Nations & worships the Lord in song, dance, with instruments of worship, giving testimony of HIS awesome glory and power. One spirit, one accord & the love of HIS people produces HIS favor, HIS blessings, and HIS answers to many prayers! Many lives have been touched, changed, new ministries birthed! And...after much prayer, the Nations went to Washington, DC to see the President! PTL!
