

Firestarters...for the Nations

Highlights of May - August, 2013

For the National Day of Prayer, Pat, representing First Nations, prayed for the mothers of the United States at Cheney Stadium in Tacoma. Later that day, Pat & Gary ministered in word and dance at Sunrise Chapel in Everett again for the National Day of Prayer.

At the Yakama Nation annual conference held at All Tribes Church in Wapato, WA, Pat & Gary spoke and Pat danced to several songs honoring the Lord.

Pat opened in dance and Gary spoke on suicide and how it had impacted his life. This was at Faith & Vision Ministry in Auburn, WA.

In preparation of the big WA State Fair, many meetings were attended. Again Firestarters will have a booth in the Education Building (the Pavilion) for Native American Days in September.

As board members of Global Hands and Feet Ministry, we were happy to host this ministries leaders Terry & Margaret Bodle during their furlough stay in the states at a Firestarters meeting.

We are sponsors for the "King's League" basketball weekly outreach at the Pentecostal Church on Muckleshoot. Already 4 youth have been saved and baptized. We raise our hand to MIT.

We attended the memorial service for Dave LaCroix. Dave blessed Firestarters tremendously with his wonderful gift of worship. Our friend Angie McKay from the Colville also passed.

Nisqually Tribe, Faith Helpers, YWAM, Oakridge Ministries hosted the "Kindling Gathering" on Nisqually. Firestarters attended and connected with many new people.

Firestarters prayed diligently for a young gal with stomach cancer for LIFE! The doctors said she was terminal but the Lord said NO. Abbey has recovered from stomach cancer and the end of August gave birth to a baby girl named Rosy. Abbey is a miracle and so is Ros! PTL!

What a beautiful, awesome summer...we ministered for the Lord, completed many projects and spent some real quality time with our family. We thank you Lord for everything!
