

JESUS IS THE REASON...

**“And they went everywhere, the Lord working with them,
and confirming the word with signs following.”**

Mark 16:20

In 2020 we were able to go out ministering the word of God for a time. When the Coronavirus hit, everything stopped. Reservations shut down allowing no visitors, scheduled conferences were canceled, church meetings stopped, wedding dates changed, places of fellowship were no more and we, like others, stayed at home. Our home time was fulfilled with texting, phone calling and lots of praying for our Nation, our President, health and healing, financial needs, depression, and fear. We rejoice there is no distance in the spirit...and God answers prayers. The virus could keep us home but not down!

Some 2020 highlights and activities include:

- Participating in Sacred Path Fellowship in Tacoma at a youth facility... later on Zoom.
- Attended the very last Tacoma Gathering which we will greatly miss the fellowship.
- Enjoyed the vision of Pastor Jim Rush, Missionary to Anaheim Lake, Canada at Peninsula Bible Church
- Attended Cherokee Beach Prayer Meetings ...Powerful!
- Ministered to needs of shut-ins and applied for agent orange compensation for a disabled Air Force vet.
- Officiated at several weddings including...Sharol and Mark, Amanda and Mark, and our granddaughter Siri and Alex's beautiful wedding in Savannah, GA
- Gary flew to Boise to visited his children and grandchildren.
- Attended precious Donna's memorial service at Ocean Shores
- Shared at Christ Church at Elbe and gifted them with a picture and Firestarters sweatshirts
- Eventually we received donations to pass on to those in need and have done so.
- Pat danced at several of the above events, and recently danced at a Cherokee baby shower and shared some of the ways of days gone by.
- We lost many of our loved ones during this time of pandemic. Some included our spiritual sons, Robbie and Aaron Garcia, and so many others. Wanda Sampson, we will miss you and your meetings!

God bless each and everyone of you! Much love!

MERRY CHRISTMAS AND A BLESSED 2021
