

JESUS IS THE REASON...

“And they went forth everywhere, the Lord working with them, and confirming the word with signs following.” Mark 16:20

The effectual, fervent prayer of a righteous man availed much. James 5:16

Walking with Jesus, serving Him never ceases to be an unbelievable, exciting experience! When the Lord calls and you say yes, pack your bags, buckle your seat belts, and be ready for an adventure like you have never had before. In February, after being on TBN with Evangelist Eric Cowley and other ministers, we received a call from Eric. Eric was part of the “Coalition of Pastors & Ministers for Trump”. He invited us to NY City as Native Americans to meet with Trump. We traveled in April to meet with Donald Trump at Trump Tower and connect with other pastors and ministers. The coalition is under a larger group called “The National Diversity Coalition for Trump”. Time with Donald Trump was short, the group of people was huge and being in Trump Tower, going through extensive security, being interviewed by various news reporters, seeing Manhattan and the sights was tremendous.

Shortly after returning from New York, about 4:00 AM, Pat was awoken by her cat meowing, a very loud voice saying Donald J. Trump and a burden to pray for Trump and his family. We have been praying and traveling the journey right along with him as the Lord has directed. We believe God raised this man up to turn our country around and bring God back to our Nation and to the Indian Nations.
